The best helpdesk support – at the ready for you!

CCB’s average response time is under 3 minutes – though we can’t promise your issue will be fixed that fast, we honor our SLAs and prioritize critical needs, so you’ll never be left high and dry. Our team is ready to help, whenever you need it.

Last year, we resolved **40,752** tickets!

We prioritize building meaningful relationships so it doesn’t matter how far you are!

Proximity doesn’t equal a healthy working relationship. We provide the same support whether you’re down the street or across the country.

Our satisfaction rating reflects our responsive, and technically proficient support.

4.95/5

AVERAGE TICKET RATING

Don’t settle for less than you deserve – get award-winning support!

We can save you time and help you stretch your IT dollars!

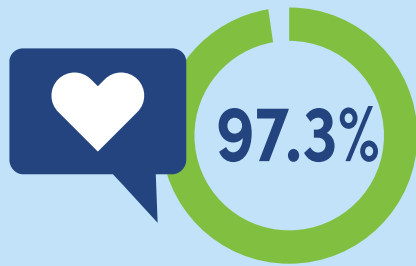

CCB specializes in supporting Nonprofits and SMBs, giving them the most value out of their IT budgets. Whether it’s IT services, projects, software, hardware, or licensing, you’ll never overpay for the IT you need!

Saving money is in our bones!
In the 90s, our founder, Chris Booth, partnered with Microsoft to write their charity program. With that, CCB became the first to provide discounted software pricing for nonprofits!

We ship to all 50 states every year!

We have the capabilities to support you and the desire to know you.

We understand that when it comes to IT support, you have options. When customers choose to work with us, it’s a privilege we don’t take lightly. Quality support matters, and we want you to feel heard, understood, and, most of all – cared for.

Give us a call and experience the CCB difference for yourself!
